School District No. 6 (Rocky Mountain)
Transportation Services
2023/2024

School District No. 6 (Rocky Mountain) welcomes you back for the 2023/2024 school year.

Please check the bus route schedule closely to determine where and when your child will be picked up. If your child is registered on a bus they are occupying a space that could be available to someone else, so they are encouraged to use the service.

For your reference a copy of the School Board Policy 7000 “**Transportation of Students on Regular School Bus Routes**” has been posted on the School District Website. Included in this Policy are definitions of rider eligibility, procedures to follow to request transportation, and the guidelines that are used when requests are considered.

Please be reminded that requests for a “Courtesy or Cross Boundary Transportation” must be submitted each year. Although every effort is made to expedite processing, these requests may not be processed until the end of September. Until processing is complete and approval has been given, parents are responsible for transporting their child/children to school.

All students using the school bus for transportation to and from school must be registered. It is the National Safety Code’s mandate that all passengers on the school bus are accounted for, so please complete the bus registration form that your child has brought home and return it to the bus driver by **September 16th, 2023**.

If you have any questions, please do not hesitate to contact us.
